Subject : Stage 2.1: To Supply and Install 4 Units Perimeter Protection AI Camera

Item	Description	Qty	Unit Price RM	Total RM
<b>(Perimeter Camera)</b>				
1.	<b>Dahua 4MP Dual Illumination Fixed-focal Bullet WizSense Network Camera</b> - 4MP Dual Illumination Fixed-focal Bullet WizSense Network Camera 1/2.9" 4MP Progressive CMOS sensor; Starlight 0.008Lux (IR on), 0Lux (Color) 20fps @ 4MP (2688 x 1520) resolution; H.265+ Dual Stream Encoding - Smart Dual Illuminators; Perimeter Protection, SMD Plus, IVS, Metadata - Illumination Distance: 30m for both IR & LED, 3DNR; Micro-SD (max 256GB) True WDR 120dB; Built-in Mic; Lens: 3.6mm M12 Fixed; DC12V, IP67, PoE	4	590.00	2,360.00
2.	<b>Ruijie Wireless Bridge CPE Dual Stream IP55 Weatherproof PoE LAN Pair</b> -Ports: 2x Ethernet ports with Passive PoE support -Power Supply: 12 VDC power supply or 12 VDC Passive PoE -Power Consumption: < 5W	4	1,350.00	5,400.00
3.	<b>Surveillance Battery Control System with Battery</b>	4	1,800.00	7,200.00
4.	<b>Link Master Bridge Software: Cloud / Local Based Deep IoT Integration License: Per-Device</b> Link Master Bridge Software efficiently manages data collection, analysis, and recording, offering tools for effective monitoring and searching. Its open platform supports integration with various third-party applications and systems, broadening its utility for advanced security measures and business functionalities.  - Processor Recommended: Intel Xeon or equivalent AMD Ryzen processors, tailored for multi-threading and video processing. - RAM: 32 GB is recommended for enhanced data processing and multitasking. - Disk Space: A primary 2 TB SSD for quick video storage access, supplemented by NAS or SAN for backup and archiving. - Network: 10 GbE network infrastructure is recommended for handling high data volumes and integrating numerous high-definition cameras efficiently. - Advanced Alerting: Capability to integrate with major communication platforms for real-time, AI-driven anomaly alerts via WhatsApp, Telegram, Email, and push notifications on mobile devices.	4	0.00	0.00

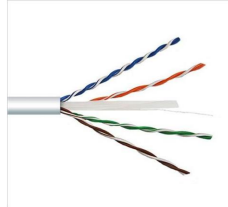

**5. Outdoor Waterproof Box Enclosure Cabinet**

4 400.00 1,600.00

**6. UTP Full Copper Network LAN Ethernet Cable (Camera)**

- High-speed and high fidelity data transfer capabilities
- Full solid Oxygen-free copper
- 4 Pair twisted Wires
- Supports transmission frequencies of up to 600 MHz
- 10GBASE-T Ethernet (depending on device)

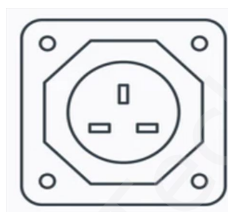

4 350.00 1,400.00

**7. Installation of Camera inclusive RJ45 termination, focusing and other adjustments**

4 200.00 800.00

**8. To supply and install 13AMP Power Point**

4 300.00 1,200.00

**9. 2 meters High Quality Black Metal Pole**

Comes with 205mm x 205mm Mounting Base  
Suitable for UHF Readers, Cameras, Photobeams, Wireless CPE

4 480.00 1,920.00

**(System Configuration)**

**10. Printed Labeling For Equipment and Main Cable**

1 0.00 0.00

**11. Proper Full Schematic Drawing (Type: Riser Drawing)**

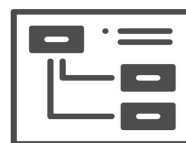

1 0.00 0.00

**12. Proper Full Schematic Drawing (Type: Single Line Drawing)**

1 0.00 0.00

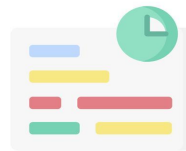

**13. Proper Full Schematic Drawing (Type: Wiring Drawing)**

1 0.00 0.00

14. Operation Manual, Project Timeline & System Drawings

10.000.000.00

15. System Setup, Configuration, Testing & Commissioning

12,500.002,500.00

Warranty:

- 2 Years (Camera)
- 1 Year (Switch, Hard Disk, Monitor)

Total RM

24,380.00

Payment Term:

- 50% Down-payment upon Signing of Confirmation or Issuance of Purchase Order (PO)
- 40% Progress Claim by Stage
- 10% After successful Testing & Commissioning

Terms and Conditions

**Quotation Validity:** 30 days. Prices and availability of products and/or services may be subject to change after this period.

**Payment Method:** All cheques shall be crossed and make payable to RS Techwin Sdn Bhd. For online banking, kindly include the QT/INV No. in reference for our records.

**Bank Account:** Maybank | 5145-8937-7434 | RS Techwin Sdn Bhd

**Payment Schedule:** The payment shall be made according to the following schedule:

a) In all cases, unless stated otherwise, 50% of the total amount quoted shall be paid as an initial deposit upon acceptance of the quotation, prior to commencement of works.

b) The remaining balance of 50% or as agreed upon in writing between both parties shall be paid within **14 days** from the delivery/completion date.

**Late Payment:** In the event that the Client fails to make payment within the specified time frame, RS Techwin reserves the right to charge interest on the outstanding amount at a rate of **3%** per month.

**Warranty:** Limited warranty is provided for specific equipment/device against defects in material, manufacturing for a specific period as listed in the quotation (if any). This warranty does not apply to any product or part that has been subject to misuse, negligence, accident, use outside of product design intent, damaged by lightning/electric surge, or attempted repair/modification by anyone other than RS.

By accepting the quotation provided by RS Techwin, the Client acknowledges and agrees to comply with the above-stated terms and conditions.

*This is computer generated Quotation, no signature is required.*

**I/We hereby confirm and accept the above**
